SERENITY MEETS NATURE 2+1 GARDEN APARTMENTS

Experience extraordinary luxury in our 2+1 penthouse apartments, which offer 118 square meters of living space. Enjoy a private rooftop terrace equipped with a jacuzzi and barbecue, while taking in the enchanting Mediterranean atmosphere with unobstructed mountain and sea views. The spacious balcony, connected to the living room through large windows, seamlessly transitions you from indoor to outdoor living throughout the day. At Greenville, the penthouses redefine luxury living, enriched with modern amenities.

PINNACLE OF ELEGANCE 2+1 PENTHOUSES

Discover a serene environment in exclusive garden apartments, where the boundaries between indoor and outdoor living spaces elegantly disappear. Enjoy the privilege of a luxurious and tranquil life in the garden of your home, redefining the essence of boutique living. Savor the continuous comfort created by the perfect blend of architectural and technical excellence. Greenville harmonizes all modern amenities with the natural environment, making unforgettable moments possible with its unique living spaces.

LAPTA: A SYMPHONY OF MOUNTAINS AND WAVES

Nestled between majestic mountains and the serene sea, Lapta is a captivating haven where nature's symphony harmonizes. Mountains guard the landscape, while the sea's rhythmic waves weave tales of tranquility. Lapta, a canvas of elevation and tide, offers a unique retreat where mountains meet the sea, creating a sanctuary of balance and breathtaking vistas. Explore Lapta, where nature's convergence paints an enchanting masterpiece.
